

SOCIETY FOR THE STUDY OF  
CELIAC DISEASE

# Clinical Trial Webinar Series

Given the maturing state of the celiac disease clinical trial landscape there is an increased need for sites who are prepared to participate in celiac disease clinical trials. To support these efforts, the Society for the Study of Celiac Disease will offer a four-part webinar series. All webinars are at **8pm EST**. Register at [www.theceliacsociety.org](http://www.theceliacsociety.org)
